Remarks: Bruce-- <div style="background-color: black; width: 150px; height: 15px; margin: 10px 0;"></div> delivered the attached to me late Friday evening. He obviously detected my reluctance to provide the requested information. As a result he said that he knew that most of the requested information was available in DoD. The only thing he thought Deferse did not have was the information requested in para. 3(C)4 on planning factors. I said that I thought we had given this information to DIA. I told him we would check to determine whether we had passed DIA the data and whether there were any restrictions on further dissemination. Please let me know. <div style="text-align: right; margin-right: 50px;">  Ed Proctor </div>
